

Aran Knitting Homework and Materials

Yarn

I recommend medium weight yarn, worsted weight is the best, in a light color, however bring the yarn you like to work with.

From my experience, I suggest you bring both the yarn and the color you really like. The sample you create can serve as a model for further work.

Needles

Bring straight or circular in the size compatible with your yarn. You will need a cable needle or 1 double pointed needle no larger than the needle you plan to work with.

Accessories- Scissors, measuring tape, pencil, paper, and a couple of stitch holders.

Additional suggestions- Bring a file folder with pockets; you can put your handout, notes and samples in the pockets. Everything will be organized.

Most of all bring your enthusiasm to learn a new technique.
