

# DOUBLE KNITTING WORKSHOP

## MATERIALS

**Yarn** 2 or more colors of smooth yarn that are the same weight i.e. either worsted or D.K.

Small amount of waste yarn—smooth cotton is best

### **Needles**

1. A pair of straight needles compatible with your yarn  
i.e. Worsted weight #7 or #8  
D.K. weight # 4 or #5

2. Two circular needles that are the same size.

3. Several double pointed needles if you have them.

Your usual knitting supplies, including a tapestry needle.

Bring your enthusiasm to learn a new technique.

### **Classroom Etiquette**

Due to some student's allergies, I ask that you refrain from using perfume.
