

# REVERSIBLE KNITTING WORKSHOP

## MATERIALS

### Yarn

I recommend medium weight yarn however bring the yarn you like to work with. Bring as many colors as you want.

Try to bring some that are highly contrasting and some that barely contrast.

From my experience, I suggest you bring both the yarn and the colors you really like.

The sample you create can serve as a model for further work.

### Needles

**CIRCULAR OR DOUBLE POINTED NEEDLES ARE A MUST.**

Bring several, in different sizes as some patterns look best worked on a larger or smaller needle than you would usually use with that yarn.

Accessories- Scissors, measuring tape, pencil, paper, and a couple of stitch holders.

Additional suggestions- Bring a file folder with pockets; you can put your handout, notes and samples in the pockets. Everything will be organized.

Most of all bring your enthusiasm to learn a new technique.
