

Slip Stitch Workshop

Materials

For you to practice some of the techniques of slip stitch knitting please bring the following materials and do the following homework:

Materials

Yarn- Your choice; worsted weight, D.K. or fingering weight yarn can be used. I recommend smooth yarns so you can see the patterns as you learn the technique. Bring as many colors as you want. I recommend at least 4-5 colors. From my experience, I suggest you bring both the yarn and the colors you really like. The sample you create can serve as a model for further work.

Needles- Bring compatible sized needles for your yarn; as well as needles larger and smaller.

Accessories- Scissors, pencil and paper, row counter if you like.

Additional suggestions- Bring a file folder with pockets; you can put your handout, notes and samples in the pockets. Everything will be organized.

Last but not least, bring your interest and enthusiasm to learn a new technique.
